RESPONSE TO RESTRICTION REQUIREMENT AND AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Restriction Requirement dated September 18, 2001, Applicants are presenting the following amendments to the claims and are responding as follows, without prejudice or disclaimer:

1. Amendment to the Claims

Cancel claims 46-49 and introduce in lieu thereof new claims 53-58 as follows:

53. (New) The artificial skin of claim 43, wherein said artificial skin comprises living cells obtained substantially exclusively from young cells originated from young subjects.

54. (New) The artificial skin of claim 43, wherein said artificial skin comprises living cells obtained substantially exclusively from aged cells originated from elderly subjects.

55. (New) A method of in vitro testing of the efficacy of a potential active substance comprising and using an artificial skin comprising living cells prepared substantially exclusively
